These stylish three-bedroom townhouses are thoughtfully designed over three spacious floors, typically offering around 1,200 to 1,400 sq ft of well-planned living space. Their modern architecture features clean lines and large windows that flood the interiors with natural light, creating an open and airy atmosphere throughout.

The homes combine practical layouts with contemporary style — open-plan kitchens and living areas provide flexible spaces for relaxing, dining, and working from home. Upstairs, generously sized bedrooms include a principal suite often occupying its own floor, offering privacy and comfort.

High-quality finishes are a hallmark throughout, with sleek fitted kitchens, elegant bathrooms, and carefully considered design details that balance style with everyday functionality. Many of the townhouses also benefit from private outdoor gardens or terraces, perfect for outdoor dining or quiet relaxation.

With options for EV-ready off-street parking and set within a leafy, well-connected neighbourhood, these homes offer a perfect blend of modern living, convenience, and low-maintenance family lifestyle.
