## THE PROPERTY

A very rare and truly outstanding 4 bedroom cottage that was originally two houses, but was re-developed into one house some years ago. The house is in fabulous condition, has both front and rear gardens and very unusually for houses in this road, off-street parking behind iron gates.

This superb property offers excellent family and entertaining space and on the ground floor comprises: entrance hall; open plan and well-fitted kitchen/dining/family room; a stunning living room with a beautiful feature fireplace; utility room and cloakroom. On the first floor is the principal bedroom suite complete with a range of built-in wardrobes, en-suite shower room and roof terrace. There are three further bedrooms and a family bathroom on this floor. From the upstairs landing, there is access to a fully boarded loft.

To the rear of the house is a pretty, southerly facing patio garden, complete with two storage sheds. To the front of the house is a generous and secluded garden with mature hedges and mainly laid to grass. There is another more open and grassed part of the front garden that leads to the gated off-street parking space. \*Council tax band G\*
