THE LOCATION

The property is situated on a much sought-after residential road and is well placed for access into Wimbledon Village, Wimbledon and Raynes Park with their commuter stations, underground railway and selection of useful shops and businesses.

The area is also well regarded for its sporting and recreational facilities as well as for its choice of schools in both the state and private sectors, such as Kings College School, Wimbledon College, Ursuline and Wimbledon High School.

The superb acres of Wimbledon Common and the green spaces of Holland Gardens and Cottenham Park are all within easy reach.

THE PROPERTY

An exceptionally rare opportunity to acquire one of just two brand-new, detached luxury homes in this highly sought-after Wimbledon location.

Currently under construction and scheduled for completion early summer, these substantial homes are being finished to the highest specification throughout, offering outstanding space, design and comfort for modern family living.

Arranged over multiple levels, each home provides five superbly proportioned double bedrooms, all featuring bespoke built-in wardrobes, and is complemented by luxuriously appointed bathrooms and en-suites.

The lower ground floor is undoubtedly the standout feature of the home—an unexpectedly vast and beautifully designed space that delivers a true “wow” moment, particularly rare for a new build.

Opening up into an expansive open-plan kitchen and dining area, it is perfectly configured for both everyday family life and large-scale entertaining. Three striking Crittall doors flood the space with natural light and lead seamlessly onto the private garden, enhancing the sense of openness. This remarkable level also includes a cinema/media room, private gym, and a stylish bar and entertaining area, creating a highly versatile environment. The scale and atmosphere of this floor can only truly be appreciated in person—viewing is essential to fully experience its impact.

The ground floor is centred around a large and impressive entrance hall, setting the tone for the quality found throughout. This level offers a stylish snug/home office, a substantial formal living room overlooking onto the south-west facing private garden, a separate utility room, and excellent storage. The larger of the two homes further benefits from a garage and dedicated coat room, adding everyday practicality to the design.

Externally, the homes enjoy generous, private south-west facing gardens, while off-street parking is available for up to three vehicles.

With viewings starting immediately buyers have the unique opportunity to secure one of these exceptional homes prior to completion, with early purchasers well placed to be among the first to view as the properties near completion.

Early registration is strongly advised. Register your interest now to receive updates and to arrange viewings for these outstanding Wimbledon homes.
